Skype English Classes for Corporate Clients

Many students from around the world are already learning English with the fully qualified international teachers at EnglishMania. Learning online with us provides them with the essential language skills needed to communicate with confidence in the modern business world. Now for corporate clients and organisations we are able to offer the same easy to use and highly regarded service – at absolutely no risk to you!

Each corporate client is entitled to a number of FREE classes and not just trial classes with limited access – they are exactly same as our paid for service. Under the guidance of our qualified teachers you will experience the specially prepared online tools and materials we use to teach and improve your English skills. If you are satisfied with the classes you simply choose one of our low cost subscription packages. We're confident you'll want to continue, but if for any reason don't wish to you owe us nothing!

Below are just some of the advantages of the EnglishMania service.

- We offer both individual and group classes.
- All classes are conducted by international teachers. The teacher will guide you on the use of the tools and materials and encourage you to communicate, think and construct sentences in English.
- All teachers are TEFL certified.
- We offer a wide range of classes to suit any standard of student – from beginner to business professional.
- The classes are conducted online via Skype, which allows students to attend remotely from any location.
- Classes are a mix of teacher led conversation and exercises, instant messaging, screen sharing and specially prepared materials and tools. We take advantage of being online!
- Students can choose a class schedule that's convenient for them.
- Our classes can be booked via our online booking system.
- Students can take as many or as few classes per week as they want – we are flexible.
- Our friendly teachers create a pleasant and comfortable atmosphere during each lesson.
- We constantly work on improving and enhancing our services, implementing the latest technologies.
- Our prices are very competitive.
- You have NO financial risks while trying our FREE classes.

Training with EnglishMania is a great opportunity to learn the world's most important business language!

We are happy to tailor and conduct classes in a way that meets your business needs. Perhaps you want to include more than one of your office locations? Or perhaps you want to allow people who work from home to be included alongside those in the office? Whatever your needs, when you are ready to subscribe to EnglishMania we will work with you to prepare a model that suits you. Why not try the service – remember, you can take classes for FREE before you decide!
